BITS & PIECES -

DX0P TEAM TRAVEL DELAYED -
The DX0P team's arrival to Pagasa has been delayed indefinitely. The BRP Apolinario Mabini which was scheduled to sail to Spratly Island from Palawan at noon of April 14 was delayed. The vessel's departure was moved to midnight. As of this writing it is 6:26am Philippine time, 2226 UTC, April 15, the ship has not received orders to sail. As it is the vessel of the Philippine Navy, the DX0P team is under the mercy of the their Commanders. The Philippine Navy would also like to ensure the safety of the travel and everyone on board. The ship captain notified Joel WJ1P, the DX0P Assistant Team Lead on who is board the vessel that they may sail anytime soon this morning. Until then, we will all have to wait.

Note: My website is constantly updated and will often show activity that did not make it in time for the I.C.P.O. Bulletin, and last minute announcements. My DX Calendar page is a good place to start to find updated information between bulletins.
